Old Business/ Updates:

Fundraisers:

- \$25 at a time – need to work hard on getting these tax credit dollars by the end of this year (December). Even if everyone in this room gets some, it will help out.
- Red & Blue Envelopes- this program has slowed down and we will need to think of some ways to revamp it. Maybe we should put a voucher in one of the envelopes for a prize, or look at different ideas to get it going again. We also may

want to stop the drive for now and pick it back up again in August when there is a lot of excitement about the new season.

- Fry's Gift Cards- Melinda has 1 left. We need to keep reloading and using them. We got a check (\$250) a month or so ago. It is easy money.
- Rome's Pizzeria- they will continue the fundraiser into December. They contribute a percentage of money spent in their restaurant. You do need to have the flyer to take in there. It is on the website.
- CHS Dons Band Cookbook- we are going to work on this next semester. We should look at presale in Jan-Mar. These would be nice for Mother's Day gifts.

Focus Group- Many people have emailed or checked with Mr. Biera to be on the upcoming focus group. Those who are still interested should contact Mr. Biera to see if they can participate.

Plaque for Milk Depot-

We had discussed getting a plaque for Denny Thornton at Milk Depot for his donations during our marching season. James will look further into this.

New Business:

- Garage Reorganization Day- Friday, January 8th from 3:00-7:00 pm. We need volunteers to go in the storage garage and help clean out and organize. We need to get rid of stuff in there that is old or no longer needed. We must keep the rain ponchos as they are District property and they are inventoried. Chris Z. Bob I. and Tom Z. volunteered to help. James will contact them closer to the date.
- We will need to get a budget set by February for the new year.

Motion to adjourn by Melinda Contreras, seconded by Susie Riddlebarger. Motion carried.

Adjourned at 7:30
